About this property

Quayside Mills sits directly on the basin, and Apartment 3 has the ground-floor position everyone wants: a private terrace gated off the towpath, double doors into a brick-vaulted living space and ceilings that remind you the building once stored cotton, not people. It is offered unfurnished, freshly redecorated throughout.

Both bedrooms are doubles with fitted wardrobes; the principal has an en suite shower room and the second is served by a bathroom with a freestanding bath. The kitchen was refitted last year in sage green with brass handles, quartz worktops and a full set of integrated Siemens appliances including a wine cooler.

The rent of £1,850 per calendar month includes a secure allocated parking space with EV charging; a five-week deposit applies and the tenancy is a 12-month assured shorthold with a six-month break. Available from 1 August. Pets considered for the right applicant. Early viewing is strongly advised - the last flat in this building let within 48 hours.
